Dear Mr. Hayden or Current Property Owner:

The North Carolina Department of Environmental Quality, Division of Waste Management (Division) is currently conducting an investigation of contamination in the general area of your property located at **231 Pea Ridge Road in New Hill, Chatham County, North Carolina**. The purpose of this letter is to request permission to collect a well water samples from your property. This sampling will be performed by Division staff or the Division's contractor at no cost to you. The laboratory results will be forwarded to you as soon as possible. To allow the Division to collect samples from your property, please sign the attached permission form and return it to our office in the enclosed stamped envelope within 14 days. Upon receipt we will coordinate with you on the planned date of sampling.

If you do not wish to grant the Division permission to sample your water well, we recommend that you hire an environmental consulting firm to have your water well tested for Volatile Organic Compounds and 1,4-Dioxane due to possible exposure issues related to the contamination in the area. Please contact me at (919) 707-8210 or by email at [adam.ulishney@ncdenr.gov](mailto:adam.ulishney@ncdenr.gov) if you have any questions.

Sincerely,

Adam Ulishney, Hydrogeologist
